

Texas Commission on Environmental Quality

Notice of Concentrated Animal Feeding Operation Application General Permit Authorization No. TXG921465

Application. Seaboard Foods LLC, 2801 Hurliman Road, Guymon, Oklahoma 73942 has applied to the Texas Commission on Environmental Quality (TCEQ) under General Permit No. TXG920000 for a non-substantial change to the terms of the nutrient management plan (NMP) previously submitted to the TCEQ. The Applicant is proposing to decrease the headcount from 21,536 head total swine to a maximum of 11,092 head, all of which will be swine weighing 55 Lbs or over. The NMP is for a “No Planned Application” to the land management units. Other proposed changes include changing the site name from GPII Facility Site 5 to Farms 52, 95-96 & 509, renaming the retention control structures (RCSs), and removing the disinfection RCS. The design calculations for the RCSs have also been updated. The currently authorized total land application area of 443 acres remains unchanged. The notice of change application and the updated NMP were received by TCEQ on May 10, 2017.

No discharge of pollutants into the waters in the state is authorized by this general permit except under chronic or catastrophic rainfall conditions or events. All waste and wastewater will be beneficially used on agricultural land.

The facility is located on County Road AA, 1 mile east of intersection of Farm-to-Market Road 760 and County Road AA, 5 miles southeast of Spearman, in Hansford County, Texas. The facility is located in the drainage area of Wolf Creek in Segment No. 0104 of the Canadian River Basin.

The Executive Director of the TCEQ has approved the proposed non-substantial change to the terms of the NMP. The revised terms of the NMP have been included in the permit record and it is available at the TCEQ’s Central Records, 12100 Park 35 Circle Austin, Texas 78753.

Information. For additional information about this application, contact Joy Alabi at (512) 239-1318. Si desea información en Español, puede llamar al 1-800-687-4040. General information regarding the TCEQ can be found at our web site at www.tceq.texas.gov/.
