

Texas Commission on Environmental Quality

Notice of Concentrated Animal Feeding Operation Application General Permit Authorization No. TXG920374

Application. Legacy Farms, LP and Legacy Dairy Farms, LTD, 500 Dallas Street, Suite A, Plainview, Texas 79072 have applied to the Texas Commission on Environmental Quality (TCEQ) under General Permit No. TXG920000 for a non-substantial change to the terms of the nutrient management plan (NMP) previously submitted to the TCEQ. The Applicant is removing land management unit (LMU) Reese South Pivot – 116 acres, and reconfiguring LMUs to decrease the total land application area from 2,772 to 2,606 acres. Other changes include update in design calculations for the retention control structure (RCS) #3 to reflect as built capacity. The proposed RCS #4 and maternity barn will no longer be constructed. Facility maps have been updated to reflect the changes to the dairy facility. The notice of change application and the updated NMP were received by TCEQ on August 1, 2017.

No discharge of pollutants into the waters in the state is authorized by this general permit except under chronic or catastrophic rainfall conditions or events. All waste and wastewater will be beneficially used on agricultural land.

The facility is located at 1151 County Road AA, Plainview, Hale County, Texas. The facility is located in the drainage area of the White River Lake in Segment No. 1240 of the Brazos River Basin. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice.
