Notice of Concentrated Animal Feeding Operation Application General Permit Authorization No. TXG921099

Application. Frisia Hartley, LLC, 7469 County Road 209, Hico, Texas 76457 has applied to the Texas Commission on Environmental Quality (TCEQ) under General Permit No. TXG920000 for a non-substantial change to the terms of the nutrient management plan (NMP) previously submitted to the TCEQ. The Applicant is requesting to change the production and waste use, the addition of 4 Retention Control Structures (RCS) and the removal of LMU #8 for the expanded pen area and RCSs. There is a reduction in total LMU acreage from 1,021 acres to 950 acres. The notice of change application and the updated NMP were received by TCEQ on September 29, 2017.

No discharge of pollutants into the waters in the state is authorized by this general permit except under chronic or catastrophic rainfall conditions or events. All waste and wastewater will be beneficially used on agricultural land.

The facility is located at 10555 County Road 44, Hartley, in Hartley County, Texas. The facility is located in the drainage area of the Canadian River Above Lake Meredith in Segment No. 0103 of the Canadian River Basin. The following link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice.
