DOMESTIC WASTEWATER

The following summary is provided for this pending water quality permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

City of Levelland (CN600247167) proposes to operate the Levelland Wastewater Treatment Facility (RN101916922). an activated sludge treatment process utilizing land application for final disposal. The facility will be located approximately 2 miles southeast of the intersection of State Highway 114 and U.S. Highway 385, and 2.5 miles southwest of the intersection of Farm-to-Market Road 3261 and State Highway 114 , in Levelland, Hockley County, Texas 79336.

This application is requesting an amendment to the current water quality permit to reflect installation of new treatment units as part of facility upgrades. This permit will not authorize a discharge of pollutants into water in the state.

Discharges from the facility are expected to contain BOD, pH, and TSS. Domestic Wastewater will be treated by an activated sludge process.
