

The Texas Parks and Wildlife Department (CN600134852) operates the Palo Duro Canyon State Park – Amphitheater/Sagebrush Campground Wastewater Treatment Facility (RN104491667) a recreational park site. The facility is located at 11450 Park Road 5, near the city of Canyon, in Randall County, Texas 79015.

Renewal of permit without change to discharge 8,200 gallons per day of treated domestic wastewater. This permit will not authorize a discharge of pollutants into water in the state.

Discharges from the facility are expected to contain Biochemical Oxygen Demand (BOD), Total Suspended Solids (TSS), and E. coli. The domestic wastewater is treated by septic tank and subsurface low pressure drain field.
