

proporcionada en este resumen puede cambiar durante la revisión técnica de la solicitud y no son representaciones federales exigibles de la solicitud de permiso.

17500Market Street, LLC RN103897476 (DBA McDonough Marine Service CN605928621), opera McDonough Marine Service Channelview Facility, una instalación flotante de barcas. La instalación está ubicada en Channelview, Condado de Harris, TX 77530. Esta solicitud es para renovar el permiso de descarga de agua existente para descargar agua de lastre/vacío de barcas de las barcas que amarran en la instalación.

Se espera que las descargas de la instalación contengan carbono orgánico total, sólidos suspendidos y aceite y grasa, y no se tratan, ya que las descargas provienen de tanques vacíos/de lastre de barcas de cubierta que no contienen ningún material peligroso. Las descargas de las barcas son intermitentes con flujo variable con el mayor volumen de flujo durante el último año igual a 16,000 galones por día.

INSTRUCTIONS

1. Enter the name of applicant in this section. The applicant name should match the name associated with the customer number.
2. Enter the Customer Number in this section. Each Individual or Organization is issued a unique 11-digit identification number called a CN (e.g. CN123456789).
3. Choose “operates” in this section for existing facility applications or choose “proposes to operate” for new facility applications.
4. Enter the name of the facility in this section. The facility name should match the name associated with the regulated entity number.
5. Enter the Regulated Entity number in this section. Each site location is issued a unique 11-digit identification number called an RN (e.g. RN123456789).
6. Choose the appropriate article (a or an) to complete the sentence.
7. Enter a description of the facility in this section. For example: steam electric generating facility, nitrogenous fertilizer manufacturing facility, etc.
8. Choose “is” for an existing facility or “will be” for a new facility.
9. Enter the location of the facility in this section.
10. Enter the City nearest the facility in this section.
11. Enter the County nearest the facility in this section.
12. Enter the zip code for the facility address in this section.
13. Enter a summary of the application request in this section. For example: renewal to discharge 25,000 gallons per day of treated domestic wastewater, new application to discharge process wastewater and stormwater on an intermittent and flow-variable basis, or major amendment to reduce monitoring frequency for pH, etc. If more than one outfall is included in the application, provide applicable information for each individual outfall.
14. List all pollutants expected in the discharge from this facility in this section. If applicable, refer to the pollutants from any federal numeric effluent limitations that apply to your facility.
15. Enter the discharge types from your facility in this section (e.g., stormwater, process wastewater, once through cooling water, etc.)
16. Choose the appropriate verb tense to complete the sentence.
