DOMESTIC WASTEWATER

The following summary is provided for this pending water quality permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

City of Floydada (600250922) operates City of Floydada's Wastewater Treatment Plant RN101917292. a Pond system. The facility is located ¼ mile south of intersection of Hwy 62 and CR 171, in Floydada, Floyd County, Texas 79235.

N/A This permit will not authorize a discharge of pollutants into water in the state.

Discharges from the facility are expected to contain BOD₅ and pH. Domestic wastewater is treated by a series of anaerobic and aerobic lagoons, and this is then routed to a holding pond prior to being utilized for irrigation purposes on a 128-acre privately owned tract of land. .
