

Sunset Commission Report

Recommendation 3.3, Adopted

Direct TCEQ to publish a report on its website on the status of its water availability models (WAMs) as they are updated, including the development and structure of WAMs, information on ongoing WAM updates, prioritization for other WAM dataset updates, and estimated cost for the prioritized updates. (Management action — nonstatutory)

Flow Report
Texas Water
Code Section
11.1471 (g)

TCEQ will submit a biennial report to the Environmental Flows Advisory Group on the implementation and effectiveness of environmental flow standards.

The report will discuss the progress made over the previous biennium in implementing environmental flow standards and will include information from TPWD and TWDB

The first report is due January 1, 2024
