Footnotes:

1. Tank and facility information is based on PST registration records. For site-specific information regarding tanks and facilities, please call (512) 239-2160 or go to the following web address:
<https://www15.tceq.texas.gov/crpub/>
2. On-site inspection compliance is based on the combined release detection and release prevention performance measures for Significant Operational Compliance with state or federal underground storage tank requirements.
3. Release, source and cause information is based on releases reported to the TCEQ. Source and cause data were collected using information supplied by the Responsible Party or their representative. A release at a single tank system might have multiple sources and/or causes. For site-specific information regarding releases, please call (512) 239-2200 or go to the following web address:
<https://www15.tceq.texas.gov/crpub/>

Site-specific records regarding tanks, compliance findings, and releases are available at the TCEQ Central File Room, 12100 Park 35 Circle, Austin, Texas, (512) 239-2900 or online at https://records.tceq.texas.gov/cs/idcplg?IdcService=TCEQ_SEARCH under the PST Facility Registration ID number and/or LPST ID number.
