The Property Owner voluntarily consents to agents, contractors, subcontractors, officers, designees, and employees of the Texas Commission on Environmental Quality (TCEQ) entering and having continued access to the above-referenced property for the following purposes:

- (1) installation, repair, maintenance, and/or sampling of the filtering system or drinking water well;
- (2) taking such soil, water, and air samples as may be necessary; and
- (3) taking other actions related to the investigation of the groundwater.

The TCEQ shall provide at least twenty-four (24) hours notice prior to entering the property. Such notice may be made to the Property Owner via letter, telephone, electronic mail, or in person. The notice shall include a brief description of the activities to be performed.

The TCEQ shall provide the Property Owner with copies of all sampling data concerning the property within a reasonable time after the information is finalized and approved by the TCEQ.

If the property is damaged by the access granted herein, the TCEQ shall, to the extent reasonably possible, restore the property to its original condition.

This Consent for Access to Property shall expire upon completion of the remediation of the contaminated groundwater.

The Property Owner recognizes that these actions by the TCEQ are undertaken pursuant to its authority under the Texas Health and Safety Code and the Texas Water Code, including Section 361.032 of the Texas Health and Safety Code and Section 26.014 of the Texas Water Code.
