### Public Notice

The Texas Water Commission is required pursuant to the Texas Solid Waste Disposal Act, Texas Civil Statutes, Article 4477-7, §13, as amended by House Bill 2358, 69th Legislature 1985, to publish a registry identifying hazardous waste facilities or areas that may pose an imminent and substantial endangerment to public health and safety or the environment. The following list constitutes the registry and the facilities or areas are listed with those having the highest priority of need for action listed first, based on the Hazard Ranking System score as set forth in 40 Code of Federal Regulations §300, Appendix A. This registry is published in accordance with 31 TAC §335.344, and the governing regulations in 31 TAC Chapter 335, Subchapter K.

The recommendations for action at each facility or area which may be pursued to achieve cleanup are identified in the following list. These recommendations do not constitute the remedial investigation/feasibility study for the facilities or areas but are based on preliminary assessments. The cleanup at each facility or area may be achieved by one or more of the following remedial alternatives but are not limited to the alternatives listed.

The Texas Water Commission will submit candidates with scores eligible for the National Priorities List (NPL) to the U.S. Environmental Protection Agency Region VI. The candidates for the NPL may include facilities or areas on this list. The U.S. Environmental Protection Agency will review the Texas Water Commission scoring documents and revise the score as appropriate pursuant to 40 Code of Federal Regulations §300.66(c).

(1) Rio Grande Refinery, Sour Lake, Hardin County. The recommendation for cleanup is biological treatment, excavation, off-site transport/disposal, or surface cap.

(2) State Marine, Port Arthur, Jefferson County. The recommendation for cleanup is biological treatment, excavation, surface cap, or run-on/run-off control.

(3) Wortham Lead Salvage, Eustace, Henderson County. The recommendation for cleanup is excavation, off-site transport/disposal, run-on/run-off control, or surface cap.

(4) Federated Metals, Houston, Harris County. The recommendation for cleanup is run-on/run-off control, off-site transport/disposal, or on-site landfill.

(5) Niagara Chemical, Harlingen, Cameron County. The recommendation for cleanup is surface cap, off-site transport/disposal, incineration, or biological treatment.

(6) **McBay Oil and Gas, Grapeland, Houston County. The recommendation for cleanup is biological treatment, excavation, offsite transport/disposal, or run-on/run-off control.**

(7) Hayes Sammons Warehouse, Mission, Hidalgo County. The recommendation for cleanup is surface cap, off-site transport/disposal, or biological treatment.

(8) Hall Street, Dickinson, Galveston County. The recommendation for cleanup is surface cap, excavation, or off-site transport/disposal.

(9) Munoz Borrow Pits, Mission, Hidalgo County. The recommendation for cleanup is surface cap, off-site transport/disposal, incineration, or biological treatment.

(10) South Texas Solvents, Banquete, Nueces County. The recommendation for cleanup is off-site transport/disposal, excavation, or incineration.

The following facilities or areas were included on the draft survey but have been delisted by the Texas Water Commission pursuant to 31 TAC §335.346: Buchanan Dam, Llano County; Texas A&M Fire Training School, College Station, Brazos County; Texas Plastics, Mathis, San Patricio County; Trio Mud, Houston, Harris County.

The following facilities or areas are being proposed for the registry pursuant to 31 TAC §335.344. The public is invited to submit comments on the inclusion or exclusion of these facilities or areas on the registry. Comments may be submitted in writing to Christy Smith, State Superfund Unit Head, P.O. Box 13087, Austin, Texas 78711. Comments will be accepted until March 1, 1987. The facilities are: Butler Ranch, Karnes County; Lindsay Post Company, Alto, Cherokee County; Sonic's International, Ranger, Eastland County.

Public meetings will also be held regarding these sites at the following times and locations. The purpose of these hearings is to receive comments on the proposed sites and obtain any information on additional candidate sites.

Wednesday, February 11th, City Auditorium, 314 East Calbert, Karnes City, Texas, 7 p.m., Butler Ranch, Karnes County.

Thursday, February 12th, Lions Club, Highway 21 (Main Street), Alto, Texas, 7 p.m., Proposed Site: Lindsay Post Company, Cherokee County.

Tuesday, February 17th, Ranger Community Center, Pine Street (beside the Boys Club in Ranger Park), Ranger, Texas, 7 p.m., Sonics International, Eastland County.

Issued in Austin, Texas, on January 9, 1987.
