Certification of Closure

Dear Mr. Ray:

Mr. William S. Even, P.E., of Waid and Associates, your Engineering and Environmental Consultants, has submitted to us by letter dated November 7, 1984, a Professional Engineer Certification of Closure of your old lead processing facility located one mile South of Jacksonville, Texas, in Cherokee County.

Based upon this Certification of Closure, our own inspections and sampling, we hereby consider this facility to have been properly decontaminated and closed.

To formally close out this facility with us and with EPA, you must complete and submit to this office within twenty (20) days the enclosed EPA Form 8700-12 and indicate the change of status in Block VI that this is now a closed facility.

If you have any questions concerning this letter or if we may be of any assistance to you regarding solid waste management, you may contact Mr. Hans J. Mueller, P.E., here in Austin at telephone number (512) 458-7271 or you may prefer to contact Mr. W. T. Ballard, P.E., Regional Director of Environmental and Consumer Health Protection at P.O. Box 2501, Tyler, Texas 75710; telephone number (214) 595-3585.

Sincerely yours,

*L. B. Griffith, Jr.*
