Notice of Water Rights Application

Notice Issued October 14, 2022

APPLICATION NO. 12-2830B; Donald Paul Gromatzky, 1835 County Road 101, Hamilton, Texas 76531, Applicant, seeks to sever his 47.723-acre-foot portion of Certificate of Adjudication No. 12-2857 and combine it with and amend his 30-acre-foot portion of Certificate of Adjudication No. 12-2830, to add a diversion point on the Leon River, Brazos River Basin, and to add a place of use for agricultural purposes in Hamilton County. More information on the application and how to participate in the permitting process is given below.

The application and partial fees were received on July 15, 2020. Additional information and fees were received on August 24, 25, 26, and 27, 2020, September 11, 21, and 29, 2020, and August 6, and 10, 2021. The application was declared administratively complete and accepted for filing with the Office of the Chief Clerk on October 13, 2020.

The Executive Director completed the technical review of the application and prepared a draft amendment. The draft amendment, if granted, would contain special conditions including, but not limited to, stream-flow restrictions. The application, technical memoranda, and Executive Director's draft amendment are available for viewing on the TCEQ web page at: https://www.tceq.texas.gov/permitting/water_rights/wr-permitting/view-wr-pend-apps. Alternatively, you may request a copy of the documents by contacting the TCEQ Office of the Chief Clerk by phone at (512) 239-3300 or by mail at TCEQ OCC, Notice Team (MC-105), P.O. Box 13087, Austin, Texas 78711.

Written public comments and requests for a public meeting should be submitted to the Office of the Chief Clerk, at the address provided in the information section below by November 1, 2022. A public meeting is intended for the taking of public comment and is not a contested case hearing. A public meeting will be held if the Executive Director determines that there is a significant degree of public interest in the application.

The TCEQ may grant a contested case hearing on this application if a written hearing request is filed by November 1, 2022. The Executive Director can consider an approval of the application unless a written request for a contested case hearing is filed by November 1, 2022.

To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) applicant's name and permit number; (3) the statement "[I/we] request a contested case hearing;" (4) a brief and specific description of how you would be affected by the application in a way not common to the general public; and (5) the location and distance of your property relative to the proposed activity. You may also submit proposed conditions for the requested permit which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below.

If a hearing request is filed, the Executive Director will not issue the permit and will forward the application and hearing request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

Written hearing requests, public comments or requests for a public meeting should be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, Texas 78711-3087 or electronically at <https://www14.tceq.texas.gov/epic/eComment/> by entering ADJ 2830 in the search field. For information concerning the hearing process, please contact the Public Interest Counsel, MC 103, at the same address.

For additional information, individual members of the general public may contact the Public Education Program at (800) 687-4040. General information regarding the TCEQ can be found at our website at <http://www.tceq.texas.gov/>. Texas Superfund Registry 2022

BACKGROUND

The Texas Commission on Environmental Quality (TCEQ or commission) is required under the Texas Solid Waste Disposal Act, Texas Health and Safety Code (THSC), Chapter 361, to identify, to the extent feasible, and evaluate facilities which may constitute an imminent and substantial endangerment to public health and safety or to the environment due to a release or threatened release of hazardous substances into the environment. The first registry identifying these sites was published in the January 16, 1987, issue of the *Texas Register* (12 TexReg 205). Pursuant to THSC, §361.181, the commission must update the state Superfund registry annually to add new facilities that have been proposed for listing in accordance with THSC, §361.184(a) or listed in accordance with THSC, §361.188(a)(1) (see also 30 Texas Administrative Code (TAC) §335.343) or to remove facilities that have been deleted in accordance with THSC, §361.189 (see also 30 TAC §335.344). The current notice also includes facilities where state Superfund action has ended, or where cleanup is being adequately addressed by other means.
