**Subject:** Request for Enforcement Discretion: Wilsonart TNLMF, Temple, Bell County (RN100215631, NSR 9739)

Hello:

The Wilsonart Temple North Laminate Manufacturing Facility (TNLMF) requests COVID-related enforcement discretion as outlined in the Deputy Director's instructional email of 18 March 2020. Specifics related to this request follow.

**Support Statement:** TNLMF office staff entered a "work from home" status as directed by the Wilsonart Senior Leadership on 19 March 2020. This situation continues as of this date, and is expected to continue through at least 31 May 2020. Data required to complete the required TNLF 2019 Air Emissions Inventory (AEI) were in systems not directly accessible by home workers. A workaround is in progress that will allow for the required data to be accessed. It is anticipated that the AEI for the facility will be submitted via STEERS/AIRS no later than 31 May 2020.

**Rule involved:** 30 TAC 101.10(e)

**Anticipated duration of required discretion:** through 31 May 2020

Please contact me if you have any questions or require additional information.
