

**Mobile Air Monitoring Vans - Summary of Stationary Survey Results**

[LOD = limit of detection; ppb = parts per billion; Avg=average (For H2S, the average is the maximum 30-min rolling average)]

Date	Stationary Survey Location	Reported Start Time	Reported End Time	Averaging Time	Benzene (ppb)		Toluene (ppb)		Xylenes/Ethylbenzene (ppb)		Styrene (ppb)		1,3-Butadiene (ppb)		H2S (ppb)	
					Avg	LOD	Avg	LOD	Avg	LOD	Avg	LOD	Avg	LOD	Avg	LOD
