

TCEQ Toxicology Ozone Science

On May 1, 2014, the TCEQ responded to questions sent by Representative Chris Turner regarding a news story published by the *Dallas Morning News* on April 8, 2014:

-  [Chairman Shaw's response to Representative Turner](#)
 -  [Representative Turner's Letter to the TCEQ](#)
-

The TCEQ sent a number of materials as part of the response to Representative Turner. The following references to primary scientific literature on ozone were included.

-  [References for Scientific Literature on Ozone](#)
-

On April 9, 2014, the TCEQ sent a response to the *Dallas Morning News* story; however, the newspaper chose not to publish the Op Ed written by TCEQ.
