

Agenda
Improving Austin Streams Implementation Plan Update
February 22, 2022; 1:00 – 3:00 p.m. via ZOOM

Meeting goals

- *Develop a clear picture of management measures and control actions to include in the plan, or process to develop those, and determine any new entities needed for their implementation.*
- *Plan for drafting documents to meet the timeline in adopted IAS I-Plan Revision Process.*

Agenda

1. Welcome, introductions, agenda review, meeting notes approval (if needed), and updates.
2. Discuss management measures and control actions to retain or add from current practices.
3. Discuss I-Plan content requirements and develop a plan for drafting of the update.
4. Identify next steps for moving forward, next meeting agenda, meeting dates.
5. Wrap-up: meeting review, action items.
