## I. Contents

- A. Table of Contents
- B. List of Figures
- C. List of Tables
- D. Abbreviations Used in the Update

## II. Executive Summary

## III. Introduction

Should include one or more watershed maps that may be referenced throughout the document as needed.

## IV. TMDL Summary

***Include only the introductory paragraph and the two tables shown below.***

Table 1 summarizes the allocations developed for *Five Total Maximum Daily Loads for Indicator Bacteria in Four Austin Streams*. Additional background information including the problem definition, endpoint identification, source analysis, linkages between sources and receiving waters, and pollutant load allocations can be found in the TMDL report.

**Table 1. TMDL Allocation Summary for Impaired AUs [Be sure to use the table (Table 27) from the adopted TMDL.]**

Stream	AU Number	TMDL <sup>a</sup> (Billion MPN/day)	WLA <sub>WWTF</sub> <sup>b</sup> (Billion MPN/day)	WLA <sub>SW</sub> <sup>c</sup> (Billion MPN/day)	MOS <sup>d</sup> (Billion MPN/day)	LA <sub>USL</sub> <sup>e</sup> (Billion MPN/day)	LA <sub>AU</sub> <sup>f</sup> (Billion MPN/day)	LA <sub>Total</sub> <sup>g</sup> (Billion MPN/day)

**Table 2. TMDL Allocation Summary for AUs of Concern for Attaining the Contact Recreation Use Standard [Be sure to use the table (Table 28) from the adopted TMDL.]**

Stream	AU Number	TMDL <sup>a</sup> (Billion MPN/day)	WLA <sub>WWTF</sub> <sup>b</sup> (Billion MPN/day)	WLA <sub>SW</sub> <sup>c</sup> (Billion MPN/day)	MOS <sup>d</sup> (Billion MPN/day)	LA <sub>USL</sub> <sup>e</sup> (Billion MPN/day)	LA <sub>AU</sub> <sup>f</sup> (Billion MPN/day)	LA <sub>Total</sub> <sup>g</sup> (Billion MPN/day)

- V. Implementation Progress**
- VI. Implementation Strategy Summary**
  - A. Adaptive Implementation
  - B. Management Measures Summary
  - C. Control Actions Summary
- VII. Summary and Discussion of Data Used in the Update**
- VIII. Management Measures and Control Actions**
  - A. For each sub-measure, or for each measure without sub-measures (and same for control actions), there is a table required that includes information for the following.
    - 1. Management Measure
    - 2. Best Management Practice
    - 3. Area of Emphasis
    - 4. Education Target
    - 5. Schedule of Implementation
    - 6. Interim, Measurable Milestones
    - 7. Progress Indicators
    - 8. Monitoring Component
    - 9. Responsible Organization
- IX. Management Measure 1.0: [Name]**
  - A. Measures 1.1, 1.2, etc.1 if applicable
- X. Management Measure 2.0: [Name]**
  - A. Measures 2.1, 2.2, etc. if applicable
- XI. Control Action 1.0: [Name]**
  - A. Actions 1.1, 1.2, etc. if applicable
- XII. Control Action 2.0: [Name]**
  - A. Actions 2.1, 2.2, etc. if applicable
- XIII. Implementation Tracking, Sustainability, and Milestones**
- XIV. Water Quality Indicators**
- XV. Communications Strategy**
- XVI. Summary and Discussion of Data Used**
- XVII. References**
