

**Response to Public Comment:
Two Total Maximum Daily Loads for Indicator Bacteria at Corpus Christi Bay Beaches, Cole Park and Ropes Park**

Tracking Number	Date Received	Affiliation of Commenter	Summary of Request or Comment	Summary of TCEQ Action, or Explanation
001	9/30/2020	Mr. Jim Klein, Cole Park and Ropes Park Coordination Committee member	The commenter noted the tasks and efforts undertaken by the Cole Park and Ropes Park Coordination Committee when developing the Implementation Plan (I-Plan) associated with this Total Maximum Daily Load (TMDL) project. The commenter expressed dissatisfaction at the level of support given by the City of Corpus Christi. The commenter also expressed dissatisfaction at the amount of time taken to finalize the I-Plan.	TCEQ acknowledges Mr. Klein's comment related to the I-Plan. No changes were made to the TMDL document.
